Name of Utility Company: Avista

Comment: I strongly oppose the sale/merger of Avista Utilities and Hydro One. The control of our natural resources should never be turned over to a foreign corporation/government. We will lose control of our decisions, price setting, management and become subject to the socialist green policies of another nation wishing to impose restrictions and taxes upon us in order to meet their impossible green goals.

We, the citizens of Idaho, should retain control of our electric power. It should NOT be handed to an entity in a foreign country.
